

UNITED CHURCH CELEBRATION

and DELTA U.C.W.

Easter Sunday was a time of rejoicing. Many members enjoyed the fellowship of eating the early Easter breakfast together at the Church, served by the Elders and Senior Sunday School Members.

Then came the glad Easter service with the triumphant music, anthems and Hallelujahs. The Senior Choir under the leadership of the organist Paul Chant, presented the anthem "Christ is Risen", and the Junior Choir, directed by Mrs. Grant Richardson gave a memorable rendition of "He's back in the Land of the Living".

The altar was banked with Easter lilies which were placed there by Mrs. Clifford Raison and family in memory of Mr. Clifford Raison; Mr. & Mrs. Lawrence Taylor in memory of her father Mr. Warner Phelps; in memory of Mr. & Mrs. Levi Raison by their family; and by Dr. & Mrs. Arnold Kelly in memory of his parents Dr. & Mrs. J. M. Kelly. The Delta Brownies and Girl Guides also gave two lovely lilies.

The joyous Easter season was celebrated in Delta United Church, when through deeply moving sermons, Holy Communion, hymns and Choir selections the Age old story of Easter was relived.

Delta United Church women held their Easter Thank-offering Meeting in the Church, with guests from Delta Baptist Mission Circle, St. Pauls Anglican Church Women, Delta, Harlem-Chantry, Elgin, Lyndhurst and Toledo U.C.W.'s.

The president Mrs. Charles French welcomed the guests and introduced Mrs. Ford Townsend President of Kingston Presbyterial U.C.W. who brought greetings and made interesting announcements of coming events for Presbyterial.

Mrs. Bruce Henderson introduced the guest speaker Mr. Ray Nicholson, representing Wycliff Bible Translators, who fascinated his listeners with his story of Mission work in New Guinea, where Wycliff Bible Translators help bring knowledge of Christ to Bibleless people. Interesting movie pictures taken on the spot, of incidents in the life and work of natives and missionaries

made the story more real and the work of translating the Bible into the many languages more urgent. On behalf of the large group the speaker was thanked by Mr. Harold Cardiff.

The guests and members were invited to the Church Hall where the social committee Mrs. Bruce Henderson, Mrs. Clifford Raison, Mrs. Bryce Woods and Mrs. Lorna Henderson welcomed them and served refreshments while a time of fellowship was enjoyed.
