WESTPORT ARENA NEARING THE COMPLETION OF PHASE I

The main structure of the arena in Westport is now complete. The next phase of construction involves the building of the dressing rooms and the Zamboni room which will house the ice-making machine. However before construction can begin on the next phase, additional monies must be raised from the community. Already area residents have contributed \$66,000 through donations and fund raising activities. Only \$9,000 is lacking before the goal of \$75,000 is reached. If you can give a donation, please do so as soon as possible so that construction can proceed. Gary Murphy, fund raising organizer is hopeful that the goal will be reached early in September. If this is achieved, we can look forward to seeing the arena open by October of this year.

The Lakeland Players

A group of former participants of the St. Lawrence Theatre Workshop, held at Rideau Vista School in Westport have recently formed their own theatre group - The Lakeland Players. All members are keen drama enthusiasts who have acted in various plays throughout our community. Many of us enjoyed their excellent productions this last spring - "Suppressed Desires", "Trifles", "Chinamen" and "The Adventures of Harlequin".

The purpose of the group is to encourage the community to get involved in the performance and appreciation of theatre arts in the Rideau Lakes area. They are now making plans to put on a play in late November.

The executive of the group are
Thomas Scovil President
June Boston Secretary
Marleen Thake Publicity
Lorraine Colford Treasurer

A set of bylaws have now been adopted and the group's first activity will be a membership drive. Any interested citizen is invited to join or support the group. The following memberships are now available:

- Working Member (adult over 18) \$5.00
- Junior Member (student to 18) \$1.00
- Supporting Member (name on program and a pair of tickets to one performance of each production) \$20.00
- Patron (1/8th page ad in program and a pair of tickets to one performance of each production) \$50.00

Anyone interested in joining is welcome to attend THE FIRST ANNUAL GENERAL MEETING on WED. SEPT. 21 at 8:00 p.m. at Rideau Vista Public School.
