LOWER BEVERLEY LAKE TOWNSHIP PARK

Beautiful Lower Beverley Lake Township Park located on the fringes of the village of Delta on Lower Beverley Lake has been a bee hive of activity this summer. With the ideal weather conditions that have prevailed campers and visitors by the thousands have come to enjoy their favourite outdoor recreation. The park offers a variety of activities from just camping and relaxing in the out of doors to hiking on heavily forested nature trails. With 25 miles of shoreline Beverley Lake is ideal for fishing, canoeing, water skiing or swimming and enjoying the sun on the park's sandy beaches. The recreation area contains numerous children's play equipment with a baseball diamond, horse shoes and an expansive informal games area. The picnic area located on the water front amongst pine and cedar trees is very popular for family and group picnics. The development of the park started as a centennial project by the Township of Bastard and Burgess through the assistance of the Provincial Parks Assistance Act. Federal grants received through the Local Initiatives Program has permitted continued development to be carried on during the winter and spring months. During the open season the park provides employment for 15 persons who are mostly students from the surrounding area. The Junior Red Cross Swimming and Survival Program is conducted in the park each summer and is well attended by the children in the area. The program this year was supervised by Sharon Murphy and Brent Mills was the assistant instructor.

The park has 180 trailer and tent sites scattered amongst 106 acres of pine and cedar forest. Facilities include electrical and water hook-ups, dumping station, picnic tables, fire places, boat launch and dockage. The modern service building provides campers with wash-room facilities, showers and a laundromat. The park canteen is open daily where campers may purchase ice cream, soft drinks, hamburgers, french fries etc. The park is within walking distance of Delta where one can purchase groceries and other provisions. For those vacationers not wishing to camp there are 8 modern housekeeping cottages located on the water front. Day visitors to the park are charged admission \$1.50 per car or a season's pass may be purchased for \$10.00. So plan a visit to the park this summer and enjoy a pleasant day in the out of doors.

Delta Royal Canadian Legion

The Royal Canadian Legion, Branch 207 Delta had a very busy summer. The Ladies' Auxiliary held a Bake Sale on July 2nd at Lower Beverley Township Park.

The Brockville Pony Club held a 4-day event at the Fairgrounds in Delta in July. The Ladies of St. Paul's Anglican Church catered for the first two days and the Ladies' Auxiliary of the Legion catered for the last two days. This was a very enjoyable occasion for all who participated.

Many area residents and visitors enjoyed a Chicken Barbecue on July 16th. The weather being so favourable helped to make this event a success.

The Legion also operated a booth at the Delta Fair, serving meals to the many visitors.

At the present time, plans are being made to operate a booth at the International Plowing Matches to be held at Joyceville from September 27th to October 1st.

Money raised is being used for renovations now being done at the hall. With present and new members our Legion is growing and we hope many more area residents will join us.
