FOSTER PARENTS

St. Mary's Anglican Church Women, Newboro are proud foster parents for the second time.

In March, 1968, A.C.W. adopted a foster child from Hong Kong, whose name was Wing Chui. We looked after him until November, 1971, when word was received his family no longer needed our assistance. They asked us if we would be interested in adopting another child, which we did. In December, 1971, we became proud foster parents of a 5-year old girl from the Phillipines. We receive letters regularly from the family, telling us of her progress in school, and interesting items of their life style. The women feel this is a worthwhile endeavour.
