

'Seeley's Bay Church cont'd.
It will be presented to the church by Mrs. Callaghan and Mrs. Arthur Horsey who assisted in the needlepoint.

An old gas light that once adorned the walls of the sanctuary was found in the belfrey during the painting bee last fall. Because it represents the past and will undoubtedly bring back memories of bygone days the centennial committee is having it polished to its original beauty and wired for electricity. It will be presented to the church by Dr. Stanley Webb, and will be lighted by John Van Twuiver and Cyril Jardine, the craftsmen who refurbished this light.

Other events planned for this Centennial year include an Irish Concert on March 11, 1977, at Sweet's Corners Elementary School. A tree or shrub planting is planned for the children of the Sunday School in the early Spring. The chairman of the Bay of Quinte Conference, Rev. Ronald Smeaton of Peterborough will conduct a Centennial Celebration Service here on Sunday, May 1, 1977.

The Centennial "Come Home" Weekend on July 1-2-3 will be the main celebration event for the entire year. All former ministers and members of our church will receive a special invitation to come back to Seeleys Bay to help us celebrate this special weekend. Dr. & Mrs. Robert McClure will be our guests for the entire weekend. Dr. McLure will speak at our Sunday Service and will undoubtedly attend many of the other events, throughout the weekend. Dr. McClure, a layman, is an ex-Moderator of the United Church of Canada, as well as a medical doctor who spent many years of his life in foreign countries under difficult situations helping others. He is also a humble Christian who has strong feelings about many things and likes to express them.

These are the major events that the Centennial Committee has planned up to this point. However, a Centennial Bazaar and Ham Supper as well as a Mission are tentatively on the agenda for later in the year.

REMEMBER WHEN?

Seeley's Bay United Church sponsored a St. Pat's Concert. The whole family turned out and homemade fudge sold for 10¢.

Well--we're having a rerun! Don't miss our Variety Concert with an Irish Flavour at Sweet's Corners School March 11th. at 8 p.m. Admission \$1.00 adults, .50¢ for children. Fun for all with toe-tapping old time tunes.

Insurance Up ?

We'll try to keep it down. We carry all lines of insurance and specialize in low cost coverages for careful people.
