

TOWNSHIP OF REAR OF LEEDS AND
LANSDOWNE - COUNCIL NOTES

The Rear of Leeds and Lansdowne Township Council met on Monday, Jan. 17 at the township offices in Sweets Corners. Reeve Hubert Sly and Councillors Roy Greenhorn and Murray Seaman as well as clerk-treasurer Carol Johnston were in attendance.

The bills and accounts were received and approved. A delegation from Lyndhurst with Joe Chapman as their spokesperson delivered a petition signed by 137 residents of the south end of the township. The petition requested that township council reverse its earlier decision and support the location of a bookmobile in the village of Lyndhurst to house the library. The request to locate the bookmobile in Lyndhurst was turned down previously because it was thought that it would contradict a bylaw of the township. After examining the bylaw on mobile homes, the council found no such contradiction and approved a motion to accept the book mobile for use as a library. The book mobile will be placed on township property, beside the old township garage in Lyndhurst. The book mobile will be moved in on or before April 1st, 1977. Previously the library was located in the Legion Hall.

Appointees for the RIDEAU LAKES UNION LIBRARY BOARD for the 1977 term are: Harry LaPaire for Lyndhurst, Mrs. Helen Sweet and alternate Mrs. Dorothy Davies for Seeley's Bay and Mr. Murray Seaman as township representative.

SUSAN CHAMBERLAIN, Community Education Worker from St. Lawrence College gave a brief talk on her job in North Leeds.

A grant of \$25 is to be sent to St. John Ambulance, who are currently running a course in Seeley's Bay.

The township is participating in the ONTARIO HOME RENEWAL PROGRAMME. Loans are granted to those persons who are eligible for the purpose of fixing up their homes. Persons requesting further information should call Carol Johnson, township clerk at 928-2423.

The township has received an LIP GRANT of \$16,000 to employ four persons from January 18 to shovel snow from walks and pathways for senior citizens in Seeley's Bay and Lyndhurst and to operate an outdoor rink in Lyndhurst. Hiring is being done through the Gananoque Manpower Centre.

BINGO GAMES are held weekly at the Crosby Community Hall on Monday night at 8pm. Each week the JACKPOT grows just waiting for the big winner. Admission \$1.00. Everyone welcome.
