### WINTER WONDERLAND

One day it was so beautiful that I  
went for a walk. On my walk I saw  
beautiful things, like animals running  
around and the birds flying from tree  
to tree. The ground was like clouds.  
The snow was so white. The trees wore  
marshmallow caps. The roads were like  
ice cream. When I walked through the  
snow it was crunching. The snow was  
like Santa Claus beard. I had to go  
home now but I will come back soon.
