

NEWS RELEASE**Seeley's Bay Specs****ST Peter's A.C.W.**

A very pleasant drive up Highway 15 to Leo Lake and Cranberry Lake Road brought us to the house of Margaret Tuggey. As we arrived we were taken to see their new gift shop. One can see how busy Marg has been all winter yet she finds time to worship at church and to be a good helper to our A.C.W.

Marg acted as president and read the Invocation from our "May Living Message". Marj Bradley read the Scripture. Mary Dean read the Meditation on "God's Will". Prayer was said.

Ethelean Tye read the minutes which were approved, signed. The treasurer gave a good report from which we can send a goodly sum to Synod.

Charlotte read a Thank you from Gertie Murphy for the Easter plant.

An invitation was read from Elaine Bryan to rent a table for St. John's Golden Triangle Art and Craft sale in the summer at the Legion Hall at Sweet's Corners.

Thank offerings were given for the Year of the Family and birthday money contributed.

More discussion concerning a Fall Fashion Show at the S.C. school but nothing definite until June.

Darrell Dean has accepted an invitation to attend the National Youth Conference at Bolton (North of Toronto) from August 25 to August 30.

Thank you notes will be sent to visitors and new comers to our church if we know their names and addresses from the guest book.

At the council meeting to be held May 12th members will decide on times of service for the summer and many other topics.

The meeting was adjourned by Marj B., prayer was said and a delicious lunch was served.

Next meeting will be held at Mary Dean's on June 3rd.

The parish rummage sale was a remarkable success. The food hamper was won by Ethelean Tye and she would like to thank all those who contributed. She would also like to thank the A.C.W. for the lovely plant and cards to her while she was in the hospital.

June 14th was a definite date set for our first Church bake sale. Look on the Leeds Lantern Calendar. This may include an Art & Craft sale as well.

CARVETH RETURNS!**Carveth Lodge**

CARVETH NURSING HOME LIMITED, the family owned and operated nursing home and retirement lodge in Gananoque, Ontario has decided to re-open their facility in Seeley's Bay. After over a year of their absence from Seeley's Bay, the Village will once again have a Senior Citizen Home.

On November 11th, 1978, Carveth Nursing Home closed its doors in Seeley's Bay and moved to a new modern health care facility, in Gananoque. Since that time, the building on Main Street has remained empty. However, the owners of Carveth, the Gibson Family, now have disclosed their intention of opening the Seeley's Bay Home as a Retirement Home for Senior Citizens. Their experience and reputation of caring for the Seniors of Leeds County over the past 15 years will now be available in Seeley's Bay.

CARVETH LODGE SEELEY'S BAY, as the home will be called, will accommodate a maximum of thirty (30) residents. It is the belief of the Gibsons that a small home offers the resident much more comfort and atmosphere than a large institution. Most of the accommodation will be available in private rooms. Semi-Private accommodation will also be available, permitting married couples to remain together.

The Lodge will be staffed twenty-four hours a day by experienced staff previously trained by Carveth in their Nursing Home. In actual fact, the staff used to be employed in Carveth when it was operating in Seeley's Bay. The residents will be given all their meals cooked in a home-like fashion using the Canada Food Guidelines.

For those of you who have been inside the Seeley's Bay facility will quickly agree that indeed the new Lodge will offer the Seniors of Leeds County a true home away from home.

The daily rates to be charged at the Lodge will be significantly below any other retirement home in Leeds. Private Rooms will cost only \$18.00 a day, while Semi-Private will cost only \$16.00 per day. When one considers the cost of maintaining and heating today ones own home, let alone feeding oneself three meals a day, the rates are extremely reasonable and affordable.

The Gibson Family have advised that applications may now be submitted by Senior Citizens seeking accommodation in Carveth Seeley's Bay. Applications or further information may be obtained by writing Carveth Care Centre, 375 James Street, Gananoque, Ontario or by calling 382-4752.
