Canada Week

BETA SIGMA PHI

The 1980 Beta Sigma Phi theme, "Around the World", was celebrated by more than 600 girls as members from Canadian and American Chapters and from far off Australia attended a Convention June 6,7 and 8 in Hamilton, Ontario.

Judy Pattinson, Barb Bakker, Sharon Horsefield and Marie Sharp from Portland along with Barb Purdy, Elgin and former Westport resident Mary Lou Smitheram were among the Convention delegates.

Hospitality abounded with a different theme for each meal, co-ordinating decorations, food and costumes to effect a tour of Italy, Greece, Scotland and Hawaii. Saturday morning forums featured two excellent speakers with a question period following, and tours were arranged for the afternoon. Excellent live musical entertainment followed the evening meal.

Many new friendships were formed and old ones renewed during the weekend which ended with a Hawaiian Farewell, a perfect closing to the convention.

PORTLAND COMMUNITY HALL

The Ministry of Culture and Recreation has recently approved the board's grant application for \$22,000 to assist with renovations to the Hall and Library. Work will commence immediately and should be completed by November of this year.

Almost all the board's portion of monies to be spent has been raised, but we require the proceeds of a successful CHICKEN BARBEQUE, AUGUST 2ND to bring us over the top. Plans were organized at this meeting and requests are being sent forth for another day of fine weather for the barbeque.

The Board has requested a quotation from Bell Canada for the installation of a payphone at the Hall.

WHAT'S GOING ON?

Have you ever driven around the area and come across activities such as soccer or baseball in progress and wondered, "Who organized that?" In the last 3 or 4 weeks we know that many such activities have begun and some are near completion but ---- What are these groups? Where did they come from? Who are the dedicated organizers who planned, coached and gave freely of their time?

THIS IS YOUR PAPER! We would love to report on these happenings. We also feel that if your schedule of games was listed in the paper - many people would enjoy coming and watching and supporting your group. So, to all organizers or participants - drop us a note or give us a call and let us know what's going on. We will be happy to list your activities and schedules free of charge. Let's hear from you for our August Issue!
