Brownies

Last year was a busy year for the Lyndhurst Pack. We had a float in the Christmas Parade, joined the cubs for a Christmas party and an Easter party, went on a winter hike and cooked our lunch, and had our end of year banquet and baseball game with our mothers. This summer we had a short Day Camp in Soperton which was a lot of fun.

Five girls flew up to Guides this year: Kim Tryon, Michelle Angenent, Julie Evans, Tammy Mattice and Esther Saucier. Cindy Jones, Cindy Gray, Cheryl Angenent and Diana Angenent also went on to Guides.

Now it's time to start another exciting year. Brownies is for girls age 6,7, and 8. We meet at Sweet's Corners School Tuesdays from 3:30 to 5:00 p.m. At our meetings we play games, sing songs, make things, learn about new things and sometimes we earn badges to sew on our uniforms. Any new girls interested in joining Brownies this year are invited to our registration from 7-8:00 p.m. Tuesday September 16 at Sweet's Corners School. Hope to see you there!

MILFOILED?

AQUATIC WEED HARVESTING

OFFERS YOU AN ENVIRONMENTALLY SAFE METHOD OF WATER WEED CONTROL

Our method of control is chemical and herbicide free. We cut and harvest the weeds, removing nutrients rather than leaving them on the bottom, allowing same day swimming and bathing

Considering Herbicides?

I move that the following Metro Policy on Aquatic Use of Herbicides be adopted:
 Aquatic Use of Herbicides in Calendar Year 1980
 It has been determined that the use of the herbicides dichlobenil, diquat (reglona) and 2,4-D (aqua-kleen) for milfoil control very likely presents a serious health hazard to persons enjoying King County lakes and streams. (Government and regulatory agencies) are requested to take immediate regulatory and enforcement actions to halt the application of these herbicides to King County Water.
 Passed by Metro Council 4/3/80 Seattle Wash.

DON'T WAIT UNTIL YOU'RE CHOKED OUT. BOOK NOW
