### UNICEF ONTARIO

#### VOLUNTEER RECRUITMENT

"A little goes a long way with UNICEF". This statement refers to time as well as money. It doesn't take long for a UNICEF volunteer to raise the \$3.00 it costs to immunize one child against whooping cough, measles, diphtheria, polio and T.B.... or even the \$140. it costs to provide a hand-pump for a shallow well to provide clean water to a village. You can give a little of your time to help UNICEF Hallowe'en and Greeting Card campaigns this Fall. Contact the UNICEF Ontario office now. Call/write: UNICEF Ontario, 38 Berwick Avenue, Toronto, Ontario M5P 1H1. Phone: 416-487-4153.

UNICEF Ontario needs volunteers to call schools prior to Hallowe'en; to assist schools to count, roll and bank the money collected by over 430,000 participating Ontario school children on October 31; to visit schools and groups to show UNICEF films and to speak about the work of UNICEF.

Local committees throughout the province need help, and volunteers are needed to form local committees where none exist. These committees are responsible for carrying on UNICEF's fundraising and public awareness programs in the community.

Volunteers can devote as much time as they have available - there is a job to suit any interested person.

During 1979, UNICEF Ontario volunteers raised over \$2 million in support of UNICEF's projects overseas. Through their efforts great strides have been made in improving life expectancy, reducing infant mortality and increasing the educational and literacy levels of children around the world.
