We now have 34 cubs and 8 scouts enrolled under the very capable leadership of Bob Saucier. We are willing to take in more boys and would welcome anyone who is interested in helping with the boys. It is rewarding work. Presently the boys are involved in Cub/Scout Week. They will probably go to Kingston for a birthday party in honour of Lord Paden-Powell. On Friday, February 29th we are having our annual Father and Son Banquet. During the school break in March the boys will participate in a winter hike, and the week following they will be going to the Observatory in Kingston.
