

WINTER WONDERLAND WEEK-END

Once again the Elgin Community Centre Committee and the residents of the village and surrounding area experienced a successful exercise in community co-operation. Large numbers of skaters, skiers, snowmobilers and watchers of all ages enjoyed the week-end of outdoor activity. It is expected that a financial statement and list of contributors will be available for the next issue of the Lantern.

ELGIN U. C. W.

Elgin U.C.W. opened their meeting on January 9, 1979 with a New Year's poem read by the President, Mrs. Sandra Freeman.

Elsa Emmons' group conducted the Worship service on the theme: "Turning a New Page". "Oh God Our Help in Ages Past" was sung, followed by a reading on opportunities for the New Year. Points to remember were: to be determined to do better, to ask for Divine guidance, to resolve to serve God, and to trust God to help. The offering was received and dedicated, and the worship concluded with a hymn and a prayer.

The business meeting followed with the presentation of the annual statement by Janet Mills,

and annual reports from secretaries of committees. Loree Smith reported that World Day of Prayer leaflets had arrived and she distributed the Mandates.

Mr. Seeley installed the officers for 1979 with Sandra as President and Nina Churchill as Vice-President. The 1979 budget was presented by Janet for approval by the group. Sandra announced that the annual Presbyterial meeting would be held Tuesday, March 6th, in Edith Rankin Memorial Church, Collins Bay.

Doug Bond will be guest speaker at the next meeting and will show films.

Sandra gave each member a copy of the "Ten Commandments for the U.C.W." which had been prepared for the installation of Presbyterial officers at Bowmanville.

The evening closed with a prayer for the New Year. Lunch was served by Reta Freeman's group.

South Crosby seeks senior citizen housing

With the approval of the Ministry of Housing and Central Mortgage & Housing Corp. (CMHC), Elgin may see the erection of an apartment building on the old continuation school site this spring.

The site is being sold to Youngtown Industries Ltd., headed by Eldon Coon of Delta. They plan to erect a two-storey building. Eight ground floor units are to be available for senior citizens, with rent geared to income. The ground floor will also include a common room for use of residents. Ten units on the top floor will be let to the public.

The Ministry of Housing is hedging on whether the population density of South Crosby warrants a senior citizen housing project. In a Ministry survey, some residents did express interest in seeing such apartments available. The proportion of residents over 65 is higher than average in North Leeds.

Youngtown Industries hopes to get approval in time to build in the spring. Anyone interested in these apartments is asked to call the township office at 359-5830.

SOUTH CROSBY PUBLIC SCHOOL

A VALENTINE SKATING PARTY will be held at the Elgin Rink by the students and staff of South Crosby Public School on Wed., February 14th., beginning at 1:30 p.m. All parents and friends are invited to attend. The Rink canteen will be open on this occasion.
