

ELGIN FRIENDSHIP CLUB

The Friendship Club held its regular monthly meeting in the meeting room. Rev. Seeley presided. He opened the meeting with a prayer. Mrs. Maybelle Hughson, Secretary, read the minutes of the May meeting which were adopted as read.

It was with much regret the members heard from Mr. Seeley that Duncan and Marilyn MacLennan and family plan to leave Elgin in July. Duncan has accepted a position as Principal of Kapuskasing District High School.

It was Marilyn MacLennan who worked very hard to organize the Senior Citizens of this locality and she was present the day the Friendship Club held its first meeting. She was always ready to entertain the club by bringing her musical classes from the South Crosby Public School.

While the Friendship Club extends to the MacLennan family best wishes in their new adventure, the members are very sorry to see them go.

It was decided the Club would take a boat trip July 18th. on the Rideau Waterway, from Portland to Jones Falls. A meeting will be held July 11th. to finalize plans.

A number of people were nominated for President to replace the late Phonse Donovan, but no one was selected.

Some games were played and a pleasant social hour was spent over a delicious pot luck lunch.

Nursery School

The children, mothers and staff of the Elgin and District Co-operative Nursery School enjoyed closing day at the home of Jason and Renée St. Pierre.

Senior pupils who will be entering kindergarten in September received diplomas from teacher, Heather Green.

Following some organized activities and free play a beautifully decorated "graduation" cake was served. Gifts were presented to the staff in appreciation for their efforts put forth throughout the year.

Registration for 1979-1980 will be held Wednesday, September 5, from 1-3:30 p.m. at the Elgin United Church. Classes will begin September 10.

A potluck supper is being planned for September to give parents an opportunity to meet. Election of officers will take place at the October meeting.

CHAFFEY'S LOCKS WOMEN'S INSTITUTE

The Chaffey's Locks Women's Institute met June 14 in the home of Laurel Fleming. The Ode was repeated followed by the Mary Stewart Collect. 13 members were present. The roll call was answered by interesting historical information and pictures for the Village Book.

Plans were made for the bake sale to be held Aug. 10th at 2 p.m. in the Chaffey's Locks Community Hall.

We were delighted to have Hilda Alford back with us after her illness.

Our motto for the day was, "We hear much these days of education for citizenship, but the most effective method is by example". A poem was read by Laurel Fleming.

Our hostesses were Laurel Fleming, Thea Dodge and Kay Shanks who provided delicious dessert and coffee.
