4-H CLUB

LOMBARDY 4-H CALF CLUB

The Lombardy 4-H Calf Club met at the Charles Machan farm, Portland, on May 14th. Stuart Machan, the beef leader, and Ron MacMillan, the dairy leader, explained what to look for when judging a group of beef animals. Ron MacMillan showed the juniors how to give reasons for judging a class of cattle. The club then broke up into junior & senior to judge some Linousin cattle. The seniors judged a group of 75% Linousin heifers with some of the dairy members giving reasons. The juniors judged a group of full bloods with all of them giving reasons. When the official judging was given, Ron handed out a report on this years' plans for the Club. Some of these plans included the Alberta exchange, the Ottawa Exhibition and our leader's expectations of our records. It was decided that the next meeting be held at the farm of the Drummond Brothers of Smiths Falls on June 4th. The meeting was moved to the house where Mrs. Machan served a delicious snack. The Club president, John Drummond, presented the Machan's with a 4-H hat in appreciation for the use of the barn & snack.

**THE PRODIGAL PLAYERS
OUTDOOR THEATRE IN ONTARIO
THIS SUMMER!**

Don't take the audience to a show, take the show to the audience! The age-old custom of travelling players performing on a mobile stage lives again. The Prodigal Players are Ontario's only travelling Theatre Troupe with its own portable stage, complete with lights, sound, costumes, sets and make-up.

The Prodigal Players, a group of 10 dedicated volunteers, are committed to breathing new life into these old, medieval traditions. Clowns & laughter, parables and a light-hearted look at human foibles, social drama and some serious thinking about the human condition. The show ranges from farce to serious theatre, and appeals to everyone.

The players bring wide experience in theatre, comedy, mime and music to the stage. They are under the direction of Mrs. Joyce Eagle, a well-known teacher of Theatre Arts in Toronto. Throughout July and August they will cross and re-cross Ontario, staging their unique show in tiny villages and in the inner city.
