

ANNOUNCEMENT

Norm Moss, president of Moss Motors in Perth, your full line Chrysler dealer, is pleased to announce the appointment of Jack M. Gordon to his sales staff in the newly opened branch sales office on Bedford St., Westport, across from the O.P.P.

Jack, his wife Lois, and their four children have recently moved to the area and reside at R.R. 2, Seeley's Bay.

Previously from the Kingston area, Jack has over ten years experience in the automotive sales field, seven of which were with Chrysler, and is extremely well qualified.

At the new location, the full Chrysler line will be featured along with an excellent selection of quality, local used cars and trucks.

Feel free to drop in anytime and discuss your automotive needs with Jack, or call him at 273-3233.

A Lynn, Massachusetts ordinance states babies may not be given COFFEE to drink.

It is against the law for Nebraska tavern owners to sell beer unless they have a kettle of SOUP brewing.

NORTH LEEDS GETS NEW FAMILY AGENCY

Did you realize . . . March is Red Cross month? And to mark the occasion, the North Leeds sub-branch to the Brockville Branch of the Canadian Red Cross Society, is opening a Homemaker Service next week. The new Red Cross Service will be the only one of its kind in the area.

The Homemaker Service will operate out of the Portland residence of Mrs. Sharon Stedman. Mrs. Stedman has been named Homemaker Supervisor for the new Service. She currently has three Homemakers under her direction and has hopes of increasing the number to ten sometime soon.

The Red Cross Homemaker Service is designed to meet a broad range of individual and family needs in a time of crisis or where illness and disability are involved. Red Cross Homemakers are trained individuals who can step in to keep the home functioning smoothly.

The Homemaker Service helps senior citizens remain in familiar surroundings by allowing them to remain in their own homes, instead of being institutionalized. In times of family crisis the Homemaker can contribute greatly by allowing the children to remain in their homes as well, rather than having them placed in temporary foster homes. The Homemaker is also trained to assist with children who require special care, and can contribute substantially to their rehabilitation through decreasing their insecurity and anxiety.

The Red Cross Homemaker Service may become essential to the well-being of almost any family at any time, and, therefore, is not limited to any single social or economic group. Families who require assistance may be subsidized by the Ontario Ministries of Health or Community and Social Services. Where that is not possible, Red Cross may offer partial assistance to those who require the Service but cannot afford to pay the full cost, through the United Way or Red Cross Campaigns.

For more information about the new Red Cross Homemaker Service contact Mrs. Sharon Stedman at 272-2100.

The new executive of the North Leeds Branch of the Red Cross is as follows:

Co Chairpersons -- Joan Tallen

and Ileana Blair

Secretary - Barb Purdy

Treasurer - Ken Fuller

Directors:

Jack Monck

Dorothy Clarke

Marion Thompson

A special note of thanks to Shirley Green who initiated and administered the service for 1 year, and established its need. Also thanks to Mary Lowry who chaired the sub-branch committee in its early stages.

A citizen may not carry a LUNCH PAIL on the public streets in Riverside, California.

In Topeka, it is illegal for a waiter to serve WINE in a teacup...probably a holdover from Prohibition days.
