**SEELEY'S BAY LIBRARY**

Seeley's Bay Public Library recently received a gift of \$1,200 from the family of Ervin and Sarah Alexander. This donation has been used to purchase books and the "Alexander Collection" is now in place in Seeley's Bay Library. A cross section of books were requested by the donors and you will find childhood favourites, adult fiction, biographies and special interest books such as gardening, cooking, Canadian History etc.

The Alexanders were residents of Leeds and Lansdowne for many years and Mrs Alexander lived in the village of Seeley's Bay with her sister Mrs. Liza Gilmore for a number of years before her demise.

Unique among library systems in Ontario, the Rideau Lakes Union Libraries are supported by four Townships or municipalities and Seeley's Bay Branch enjoys all the benefits of this Union. We are able through Inter-Library and Inter-Unit loans to supply nearly all the requests of our patrons. Through Eastern Ontario Library System we have access to books and reference materials held in the member libraries of that system. We are also able to supply films and talking books to our members.

The Seeley's Bay Branch is open Tuesday 1:30 - 4:30 p.m., Thursday 2:00 - 4:30 p.m., Friday 6:30 - 9:00 p.m., Saturday 10:00 - 12:00 noon. Drop in and see the "Alexander Collection" and join the Library if you do not already have a membership.
