

LEEDS CHINA PAINTERS: Vivian Perrin, Clara Hull, and Norma Guthrie pouring a porcelain Ming jar; Mary Bakker putting the finishing touches on a plate she has painted; Porcelain pieces that the ladies have made.

**LEEDS CHINA PAINTERS**

The Leeds China Painters, who claim the 2nd floor of Crosby Hall as their home, received a grant in the fall of 1978 to enable them to learn to pour their own porcelain. The porcelain they have been using was imported from the U.S. and proved very costly. Their aim is to produce a high quality porcelain at a much cheaper price.

Each week the painters gather at Crosby Hall to paint and pour the porcelain. Also 2 days a week Phyllis Scott conducted classes in China Painting.

In an effort to share this hobby with everyone, they plan to have an "Open House", the 2nd of June. (see ad) where their hand-decorated pieces of China will be on display, as well as many of the pieces of poured porcelain. They have been working on a quantity of thimbles that they hope is a souvenir item.

The Leeds China Painters feel very fortunate to have Phyllis Scott in this area, and that she is available to instruct classes in porcelain art. Her work is of exceptionally high quality and her students are following in her footsteps.

They hope you will take time from your busy schedule to drop around and let them show you their efforts on Saturday, June 2nd.

Gettin' ON THE LAND

There's action on our farm today  
And things are out of hand,  
'Cause Pa has got his plans all set  
For gettin' on the land.  
The tractor's waitin' by the barn  
The tiller's by the door,  
Yes everyone will pitch right in  
And work till half past four.

\*\*\*\*\*

Ma says she dreads this time of year  
For meals are all upset,  
Pa hasn't any time to eat  
The crop comes first you bet.  
And so it's ruck from dawn 'till dark  
Spring's work must all be done,  
For everyone has work to do  
No time for rest or fun.

\*\*\*\*\*

The fields are waitin' for the plow  
Oh it's a busy life,  
But then you have no traffic jams  
Or a city's noise and strife.  
With good farm food to fill us up  
We're a husky little band,  
And altogether now are set  
For gettin' on the land.
