Scalding dogs appears to be a favorite amusement with some one, as several chains bear very ugly scars. Hogs become troublesome when they are an effectual way of getting rid of them, but otherwise the trick is a very disagreeable one.

G. M. Scott is now in receipt of a splendid stock of fall and winter Dry Goods, which were bought for cash, thereby saving at least 15 per cent. The benefit he intends giving to the public and his customers. Actively call on him.

Our friends should begin now to make up clubs for the Acton Free Press. Any one sending us a club of eight subscribers, with eight dollars, will be entitled to another copy free.

TIME UP. We desire to call the attention of our customers who have not yet favored us with the amount of their accounts, that they fell due on the 1st of this month. On this date every account on our books, long or short, is due.

At the last regular meeting of the Sons of Temperance in the Temperance Hall, the following officers were installed by Mr. John Speight, D. G. W. R.:

At the monthly fair yesterday there was only some 30 or 40 head of cattle and a few sheep and pigs. The heavy rain all day Wednesday no doubt prevented a good many from coming, on account of the sloppy state of the roads.

Yours' List Retained. The following names were added to the Acton voters' list, by the County Judge on Wednesday, 6th inst., having been omitted in the Clerk's copy, viz:

James W. Mann, Thomas J. Fulljames, David T. Smith, Horace J. Hall, Christopher Dempsey, David Williamson.

Base Ball. Again have our boys been defeated by the Milton team; but as "Nil Desperandum" is their title, we trust they will "never despair."

Pedigree Sheep. Mr. William Whitlaw, of Guelph township, has recently imported from the old country three pure breed shearing Leicester fams, two of which are from the well known flock of Rev. Mr. Bosanquet of Northumberland.

REPAIRING. All kinds done with neatness and on the shortest notice. Our line will do well to give us a call before purchasing elsewhere. Remember the Brand—J. CREECH, Acton, July 1, 1875.

tejvial a matter as this, we will cheerfully acknowledge him to be the smartest man we have met with in our pilgrimage through this world. What he said was true, every word of it. That the pitcher and teacher were not active members of the club was clearly proven; that they do not reside in Milton, and that they had not previously played in the club was admitted; even the absence of playing uniform being good collateral evidence of their being "outsiders."
