LOCAL MATTERS. Village Council this evening. Milton stores close at 7:30. What is there to prevent Acton merchants following suit?

The letter we published last week from Mr. Matthews, concerning the hangings-on at the post office store, appears to have had some effect.

The cattle fair to-day was not very well attended, and the cattle on the ground were too lean to attract the attention of drovers.

The Social and Literary Entertainment given in the Temperance Hall, by the Young People's Literary Society, last Monday evening, was a decided success, very particular.

The regular meeting of the above Lodge will be held in the Masonic Hall, on Monday evening, 6th of Dec., at 7 o'clock for the following business: Passing, Raising and Election of Officers.

The anniversary of the Sabbath School in connection with the Methodist Church, will be celebrated on Thursday evening, 23rd inst., in the Temperance Hall.

A Suggestion. We would like to say a word or two to those people who are in the habit of spending their leisure time in hanging around the stores, and other business places.

Unprincipled vendors can obtain this trash at a very low price, and deceive you by selling the same for my genuine Holloway's Pills and Ointment.

Persons who may be indebted will be pleased to communicate with me. Many respectable firms in the British Provinces, who obtain my medicines direct from here, have very kindly suggested that I should, for the benefit of themselves and the public, insert their names in the papers, that it may be known that my medicines can be had from them.

The medicines are sold at the lowest wholesale price, in quantities less than 250 words—24, 22, and 12, per dozen boxes of Pills or pots of Ointment, for which remittances must be sent in advance.
