We have received a copy of a Bill introduced in the Ontario Legislature by Hon. Mr. Currie, "respecting Elections of Members of the Legislative Assembly," which seems to follow the United States custom of offering the elective tranchise to every male resident twenty-one years of age, without respect to property or income qualification,electoral division for a period of at least six months previous to the country is ripe for such a radical element in our election law, and it has just come into force giving the

Many of our up country friends have for some years eagerly desired a change in the formation of the county boundaries, and sundry notices have appeared of their intentions to apply therefor to the Legislature at its present session. In the House yesterday, the question was asked whether the government intend to introduce a general measure with respect to new county formations, or allow. private legislation in respect to be Returning Officer. | Election to any particular formation.
