

THE GRANGER. A dismal howl has burst forth by some pretended farmer...

VETERINARY. J. C.—I want you to give me a cure for a contracted hoof on a horse.

WIND-SEKING.—The only cure for a crib-biter is to do away with the manger, or any object against which the horse can crib.

Glanders. Query: 1. What is the cause of glanders in horses? 2. What are the symptoms of glanders? 3. If curable, what is the treatment? 4. How long after a horse has been exposed to the disease will it show itself?

Beware of Counterfeits. For the protection of the public of British North America, I deem it my duty to state that my PILLS AND OINTMENT are neither manufactured nor sold in any part of the UNITED STATES.

Unprincipled vendors can obtain this trash at a very low price, and deceive you by selling the same for my genuine Holloway's Pills and Ointment, which are manufactured only at 525, Oxford Street, London.

Persons who may be so deceived will be pleased to communicate with me. Many respectable firms in the British Provinces, who obtain my medicines direct from here, have very properly stated that I should, for the benefit of themselves and the public, insert their names in the papers, but it may be known that my medicines can be and are sold in many parts of the country.

The following is a list of the firms authorized to and particularly recommending those who desire to get my medicines to apply to some of the following names: F. & S. STURGEON & CO., Montreal.
