ALBERT MOORE, EPPOR.

istay Mouning, August 1, 18;

The Governor-Generalship.

ed and accepts it.

During the past few days the daily papers have contained the entionicement that the Marquis of Lieue has been effered and has no copted the Governor Generalship of

Thoughas Southerland Campbell, for Queens', P. E. I. thlust sen of the Duke of Argyle, by courtesy Marquis of Lorne, was Lorn at Safford House, London, in 1845; elected M. P. tos Argylethirs, in the Asberd\_interest, i -1875; in December of the same year became private secretary to his father in the India Office. He was Monday and Friday evening until created a Knight of the Thistle on after the Dominion Elections. the occasion of his marriage to the Princess Louise, March 21st, 1871. the Tropies," since which he bas paid considerable attention to the literature and legends of the western isles, and has also produced a economy in the working expenses new metrical version of the Psalms. No family has so far blessed the

With reference to the appoint ment, the Glob cays:-The appointment of the Marquis of Lorne to the Governorship of Canada is one of the surprises in which the vener-Lole Prime Minister of England delights. We doubt whether any ad-'country. As a matter of course joy. Her Majesty and her conneil has displayed the utmost goodwill towards the Dominion in the choice they have made. No selection could have shown greater conil lence in the future of this country, and none could be more beneficial. It will turn all eyes in Britain towards Canada, it will bring thousands of tourists to admire our natunal somesy and study our materinheseness and will secure for us wise we would have that of the great entigration which must ne cressarily take place, when active presperity is again made manifest en this continent. We are sure that every inhabitant of Canada, of

gratitude this latest exhibition

The Marquis of Lorne and his consort will receive a loyal welcome in Canada, and nothing: will be spared to renier their residence, localism or sectionalism. He screamed, "Oh! Jim, Jim, you've spreeable. As a matter of course, | thinks that the western portion of killed me !" and he believing that them a trying one. We have few attractions for the rich and great in gent people of Outario will apprethis country. Those who find entire the inportance and profit of Jane, where he again attacked her. Plating a raid on Montana. Canala. It so happens, however, ocean by means of vessels of large with manly pluck, seized a copper that both the Marquis of Lorns and tonnage from the nearest navigable kettle, and parried the blows, afterhis comort are possessed of qualities which render them independent of many sources of amusement. The Maranis is of literary tastes, with a disposition to engage in publie business. He comes of a race A which for many generations has earned distinction in the service of the State, and is not likely to feel ensure in the responsible post which he is about to assume. The Princess has artistic tastes which can be in lulged admost as well at a Utlawa as at London, and like all the daughters of the Queen, she is covered from the shock caused by left for the field with the intention | thirty per cent. on their wages. clever and industrious Is remains the sad death of Jos.
